NARRATIVE OF EVENT

The ArtFest™ of Fifth Avenue is a biannual event produced for the Fifth Avenue Area Merchants Association to promote the downtown Scottsdale Fifth Avenue area. This area encompasses all the businesses located on Fifth Avenue between Goldwater Blvd and Scottsdale Road.

ArtFest™ of Fifth Avenue, Spring is held on the Friday, Saturday, and Sunday February 10th, 11th & 12th, 2006. This is a time to promote gift buying and a time when both locals and tourists are looking for activities to participate in.

Over 100 artists' booths, along with a few pre-packaged edible or other products, are placed in the parking spaces located in the street on Fifth Avenue between Goldwater Blvd and Scottsdale Road. The majority of these booths face the retail shops creating pedestrian traffic flow and more options for the buyer to see and interact with the stores.

Musical entertainment located on Stetson just north of 5th Avenue draws customers into the center of the festival with shops and a restaurant in the area. Other musical performers are placed throughout the event, usually in front of vacant shops or other slow traffic areas, to create an atmosphere of entertainment and promote traffic flow.

Shell Alliance Marketing has a booth in the middle of the event to collect demographic information with a public survey. Promotional information is sent to past festival attendees to build repeat customers to the Fifth Avenue area of Scottsdale, AZ.

NARRATIVE

A detailed narrative to describe your event and its site plan or route is required to assist the Special Events Permit Committee to understand your event. Please describe all activities and provide a timeline of your event if you are a moving venue (i.e. run, parade, etc.) Provide a description of parade/run/march including street and lane closures. Attach the proposed route and barricade plan and indicate the start and finish areas. Please attach the narrative and/or timeline below or attach the narrative/timeline on separate sheet(s) to your application.

SECTION 7 SANITATION

Please describe your plan for the cleanup and removal of recyclable goods, waste and garbage during and after your event:

We hire staff from labor company and supervise them. We supply the clean up staff with cleaning equipment including: brooms, dust pans, trash bags, extra trash cans, etc. The clean up staff picks up trash and empties the city and extra trash cans. The clean up staff takes trash to a dumpster.

Person/company responsible for cleanup: Brandon Swanson

Phone: 480-968-5353

You are required to provide portable restroom facilities at your event unless you can substantiate the sufficient availability of both ADA accessible and non-accessible facilities in the immediate area of the event site, which will be available to the public during your event.

If you plan to provide portable restroom facilities at your event, provide total number of portable toilets:
4 (have public restrooms which we clean)

Number of ADA accessible toilets: 1

If no, please explain: _____

Subject: Need a Police Office for ArtFest of 5th Avenue

Hi Mike

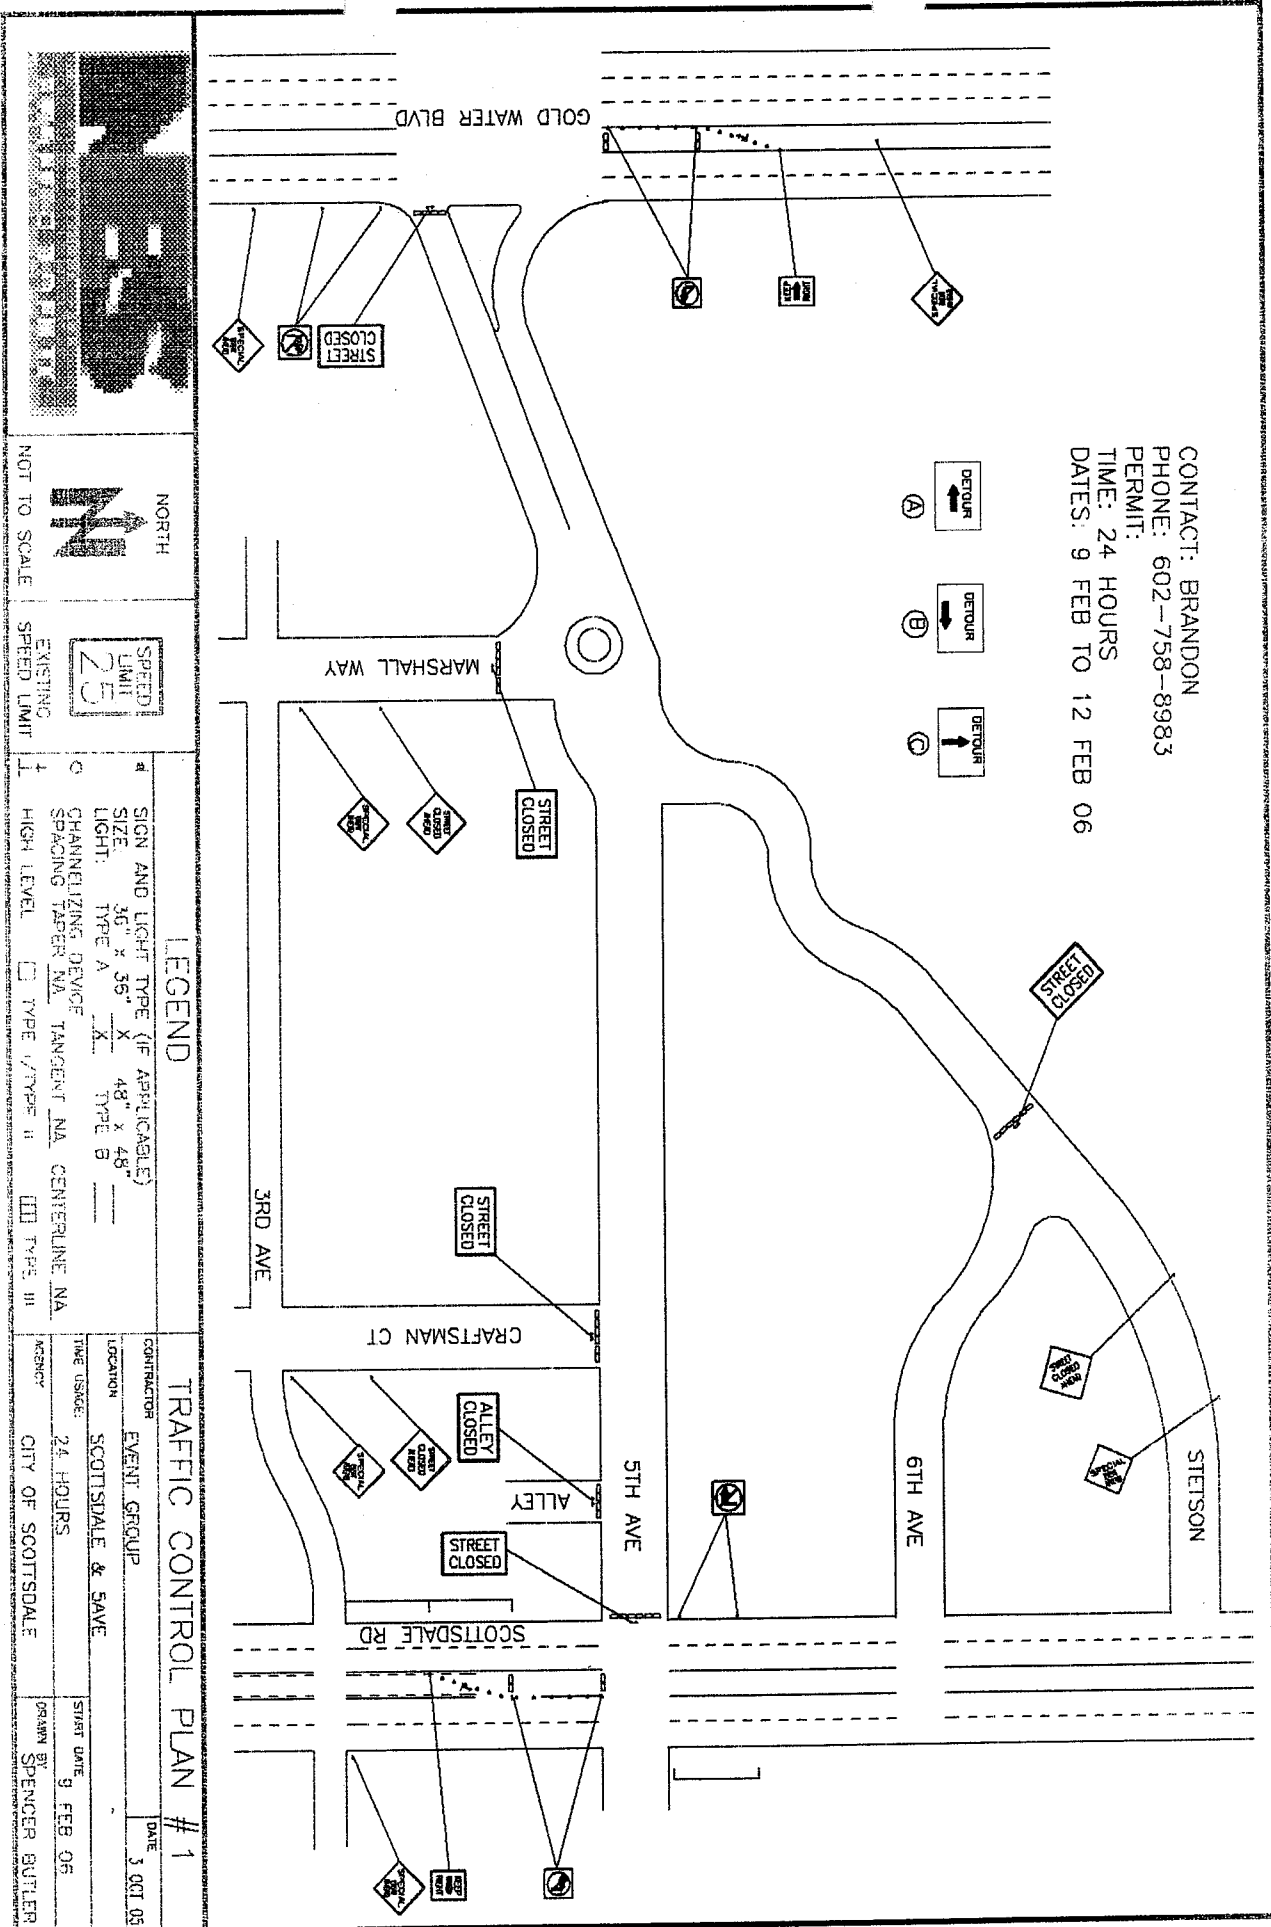

Hope the New Year's Eve Event went well for you and the rest of the Police Dept. 5th Avenue survived the event with out any damage and the attendees I know had a good time.. Now the merchants on 5th Avenue are into a new year and are planning the bi-annual ArtFest of 5th Avenue. As we have done in the past we called in a request for a Police Office for the ArtFest of 5th Avenue for February 10th, 11th & 12th, 2006. We were unable to reach a person and just left a message. Just following up with you on our request for a Police Officer for Friday (10th), Saturday (11th) 10am to 6pm and Sunday (12th) 10am to 5pm of February 2006. Let me know if we need to do anything more.

Thanks Mike and may the new year be a good one.
